FOUR BRAVES OFFERED FOR CHICAGO PLAYER

Smith, Fitzpatrick, Collins and Barnes May Be Exchanged for Heinie Zimmerman.

CHICAGO, August 24. — Four members of the Boston National league club are likely to don Chicago uniforms and Heinie Zimmerman, the Chicago infielder, is expected to join the Braves before the end of the present week. A series is scheduled to start between the clubs today, and Manager Stallings, who has been in conference with President Weechman earlier this week, probably will play J. Carlisle Smith, third baseman; Edward Fitzpatrick, second baseman; Edgar Collins, outfielder, and Jess Barnes, pitcher, in order that the Chicago authorities may size up their worth. Stallings believes that Zimmerman ranks next to Cobb as the greatest player in the major league ranks and he is eager to secure the third baseman to play at the right of Walter Maranville. Although there have been rumors that either Evers or Maranville will figure in the deal, this has been officially denied. It was learned from a reliable source that the present proposition was made by Manager Stallings and differs slightly from a trade that was proposed earlier.

WHAT IS ITCH DIRT?

It is the old Anglo-Saxon name for Dandruff and it's a good one. If you have dandruff you have itchy dirt and the little microbes that are part and parcel of dandruff are working persistently night and day, and sooner or later will reach the very life of your hair and destroy its vitality.

Then you'll be bald—Bald to stay—for not even the wonderful rejuvenating properties of Parisian Sage can grow hair after the hair bulb or root is dead. Parisian Sage cures dandruff—the hair destroyer—Wilfred F. Root the druggist, sells it, recommends it and guarantees it; only 50 cents a large bottle and your money back if it fails to remove every trace of Dandruff, stop falling hair and itching of the scalp.
